Playlists

There is nothing quite like turning on a great playlist and seizing the day. Whether you're getting in the groove for your workday or celebrating beautiful weekend weather, there's certainly a mix that suits the moment. We've curated a list of this year's top playlists on some of the most popular streaming apps.

Feel Good Classic Hits

You can't beat the giddy feeling of nostalgia when a classic throwback from the seventies, eighties or nineties begins to play. Amazon's Music Experts put together [this positive, upbeat playlist](#) including artists like Billy Joel, the Bee Gees, Madonna and Earth, Wind & Fire.

Yoga Flow

Take a deep breath and draw in the soothing sounds of [Amazon's "Yoga Flow"](#) meditation playlist. The soothing sounds will add a sensory layer of distance between your meditation and the bustling city around you for heightened focus and relaxation.

Something for the Sleepy

Have you ever tried winding down for the night with ambient sounds? [Apple Music's "Sleep Sounds"](#) playlist is designed to facilitate deep relaxation and a rush of calmness just when you need it most. These sounds are sure to inspire some sweet dreams!

Piano Chill

Whether you're winding down at the end of the day or looking for soft sounds while you work, [Apple Music's "Piano Chill"](#) is the playlist for you. The classical sounds of the piano with a modern twist are just what you need to help bring you some inner peace.
